It will be held at the renowned Kanteevera Indoor Stadium in Bangalore from 18th to 26th January 2024. This tournament promises to be a chess extravaganza like never before.

UNLEASH THE GRANDMASTERS!

Prepare yourselves for an unparalleled chess experience around 50 Grandmasters from across the globe converge at Sri Kanteerava Indoor Stadium, Witness breathtaking chess strategies and tactics as these titans of the game battle it out for glory.

AN INTERNATIONAL CHESS EXTRAVAGANZA

This international tournament is set to make history, as it will bring together the finest chess minds from across the globe. Around 2500 players expected to participate, around 50 Grand masters, this tournament promises to be a spectacular showcase of skill and strategy. It is a testament to the growing popularity and influence of chess on an international scale.

RISING CHESS REVOLUTION IN INDIA

Indian chess has transcended its traditional boundaries, becoming a global sensation. It all began with the rise of Viswanathan Anand, the harbinger of a chess revolution. As the great Magnus Carlsen aptly put it, We're just at the start of a revolution that began with Anand becoming a Grandmaster.

The recent FIDE Chess World Cup showcased the might of Indian chess. D Gukesh, aged 17, has already surpassed Anand as India's No. 1 player. R Praggnanandhaa, now 18, stormed into the World Cup finals, defeating the World No. 2 and No. 3 players. Alongside, talents like Arjun Erigaisi and Nihal Sarin, both 19, are set to make history. Last year's Chess Olympiad in Chennai sparked immense interest, prompting the mushrooming of clubs and schools dedicated to chess. Despite this, chess struggles to attract sponsors. It's high time corporate houses recognize the sport's potential and support it.

A GLORIOUS CHESS LEGACY

Our tournament has a storied history, with past champions who have graced us with their remarkable skills. Join the ranks of chess legends and create your own chapter in this illustrious chess journey.
